FME Extensions

Extension for Magento 2

User Guide

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Flash Sales With Countdown Timer** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

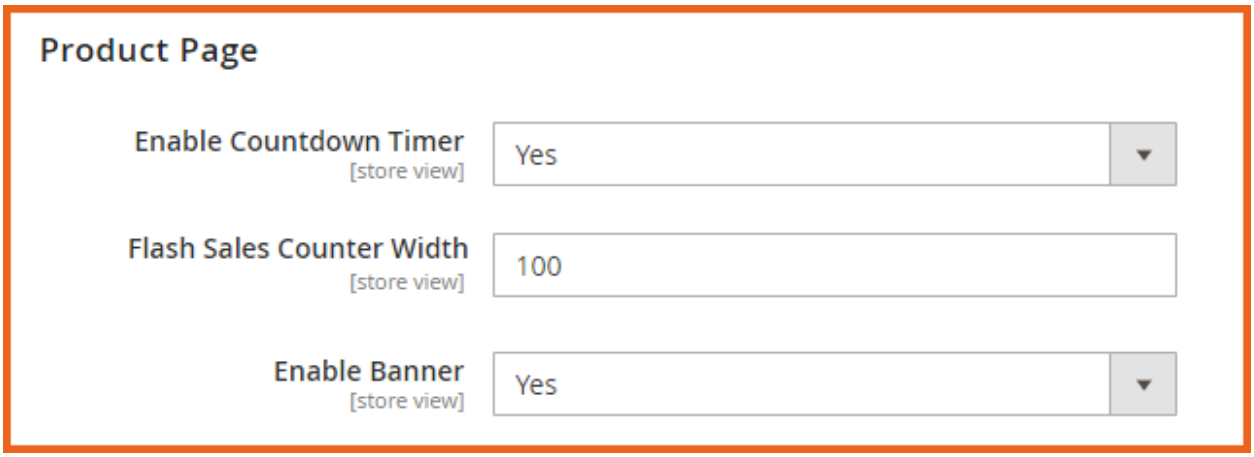
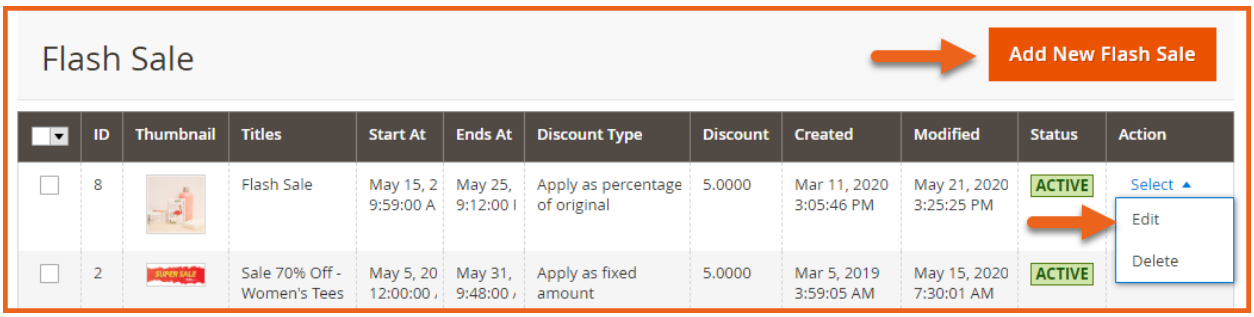
- **Enable Banner:** Choose 'Yes' or 'No' to Enable or Disable the up-coming flash sales section on the product pages.



HOW TO ADD/EDIT FLASH SALES

At the backend, go to **FME EXTENSIONS > Manage Flash Sales.** Here you will find all the flash sales in a grid. You can **Edit** any sale or click on the **Add New Flash Sale** button to proceed.



Here you will have to provide the following information:

FLASH SALE INFORMATION

- **Title:** Enter a title for the flash sale
- **Start At:** Select a date from which the flash sale will start
- **Ends At** Select a date to which the flash sale will end
- **Priority:** Specify the priority of the flash sale
- **Image:** Upload an image for the flash sale
- **Store View:** Select the store views on which you want to enable the flash sale
- **Status:** Option to Enable or Disable the flash sale
- **Short-Code:** Enter your short-code here. You can create a flash sales widget and add it to any page by copying the shortcode of the flash sales offer.

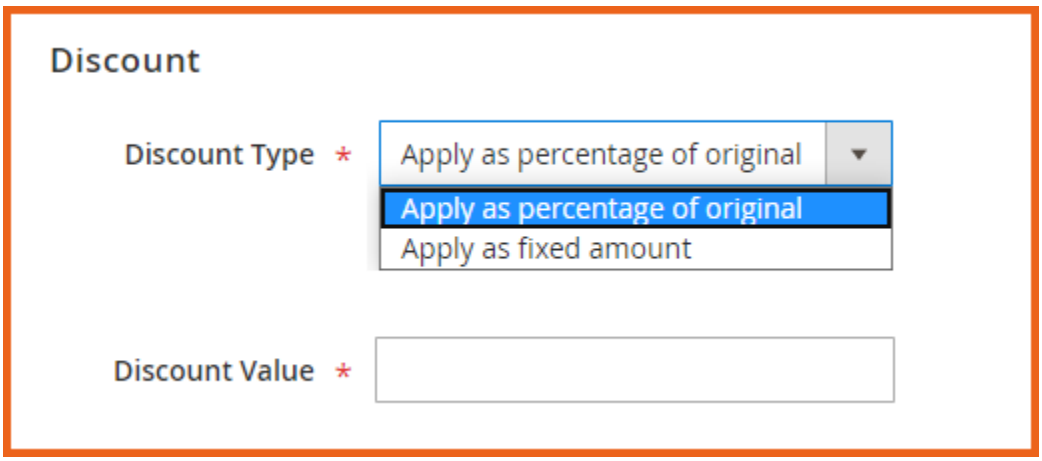
DISCOUNT

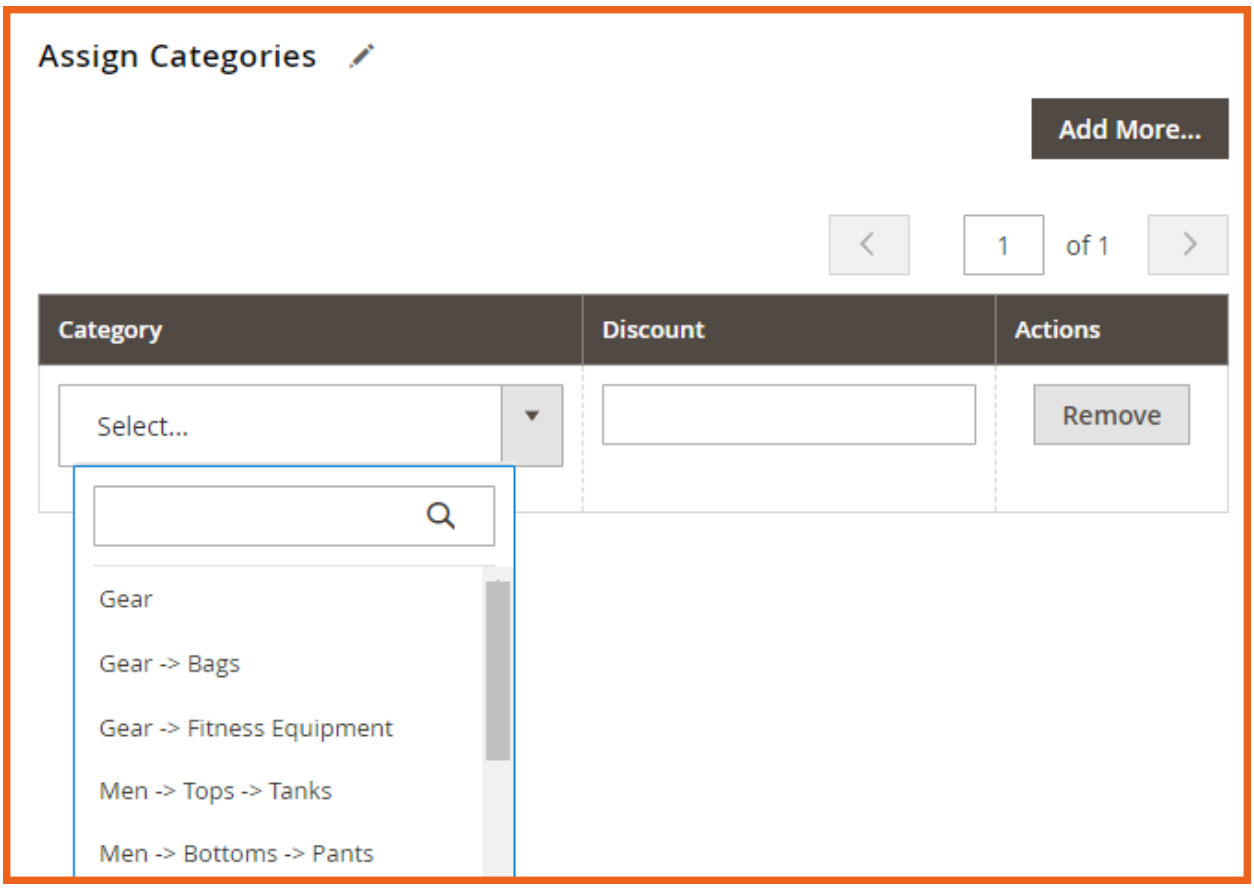
- **Discount Type:** Choose the discount type:
    - **Apply As Percentage of Original**
    - **Apply As Fixed Amount**
- **Discount Value:** Specify a discount value for the flash sale (**Note:** Flash sale discount (Priority - Lowest))



ASSIGN CATEGORIES

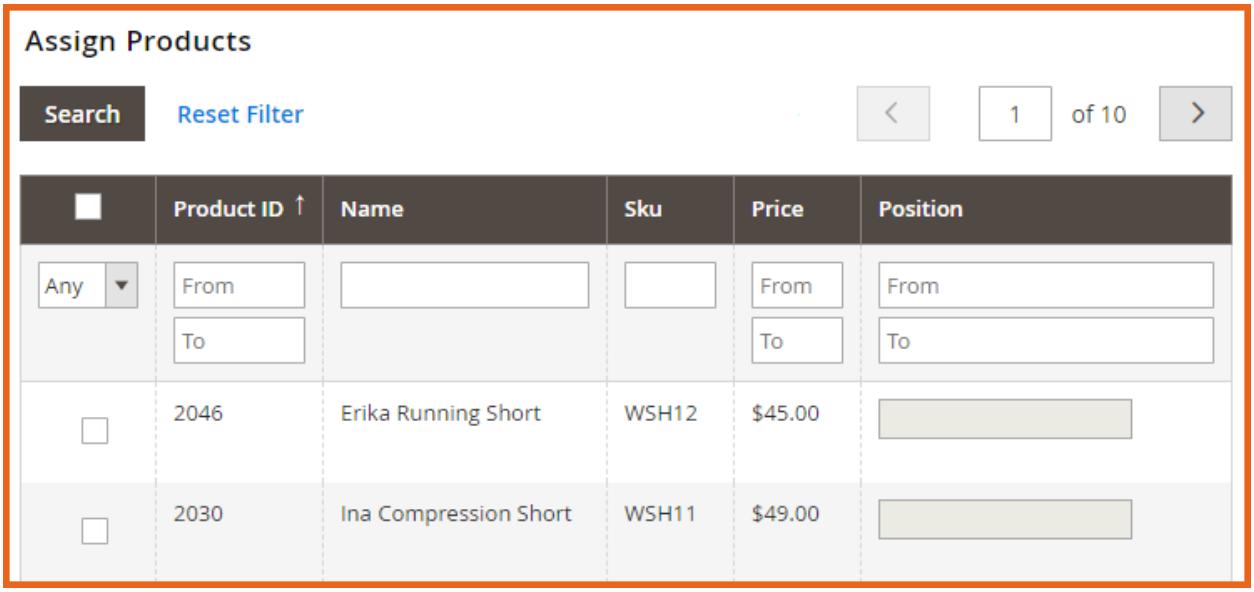
Assign the flash sale to a category. If the discount field is left empty, the above discount will be applied to that particular category.

- **Category:** Select the categories on which you want to apply the flash sale
- **Discount:** Specify a discount value for the flash sale (**Note:** Flash sale category discount (Priority – 2nd Highest))

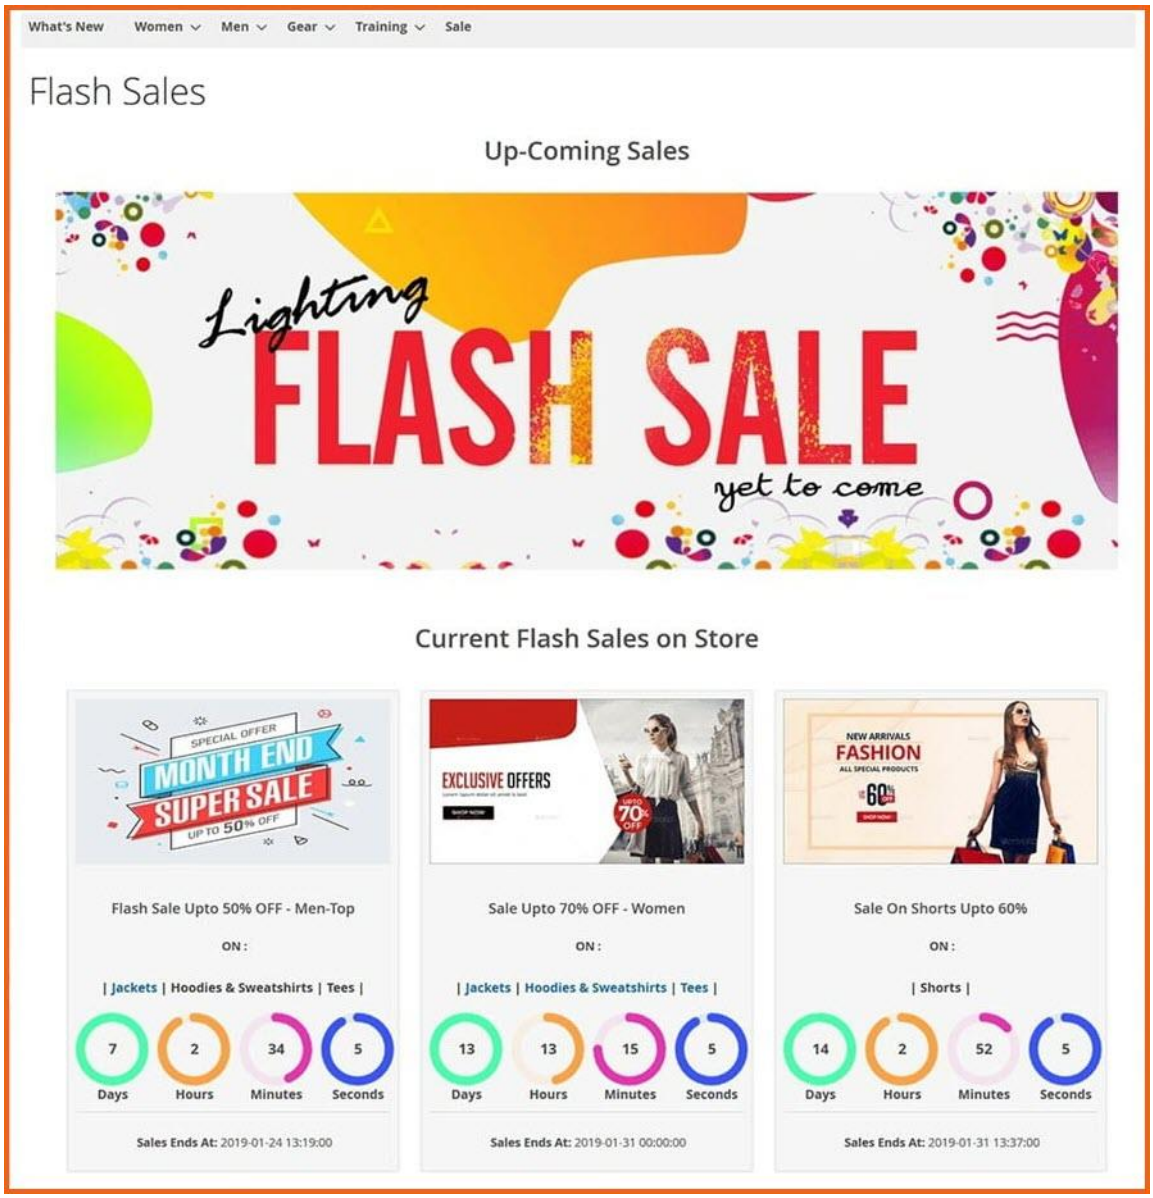


ASSIGN PRODUCTS

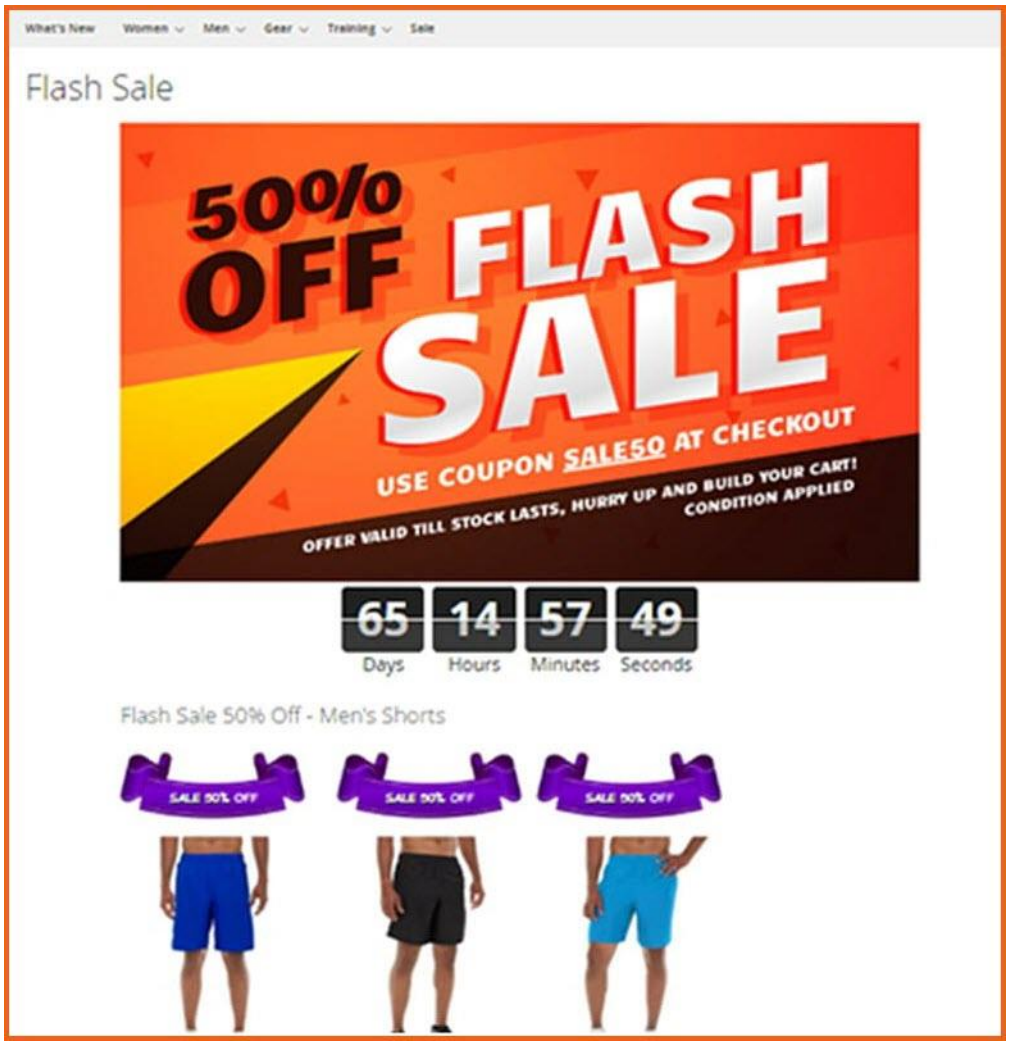
Select the products on which you want to apply the flash sale.



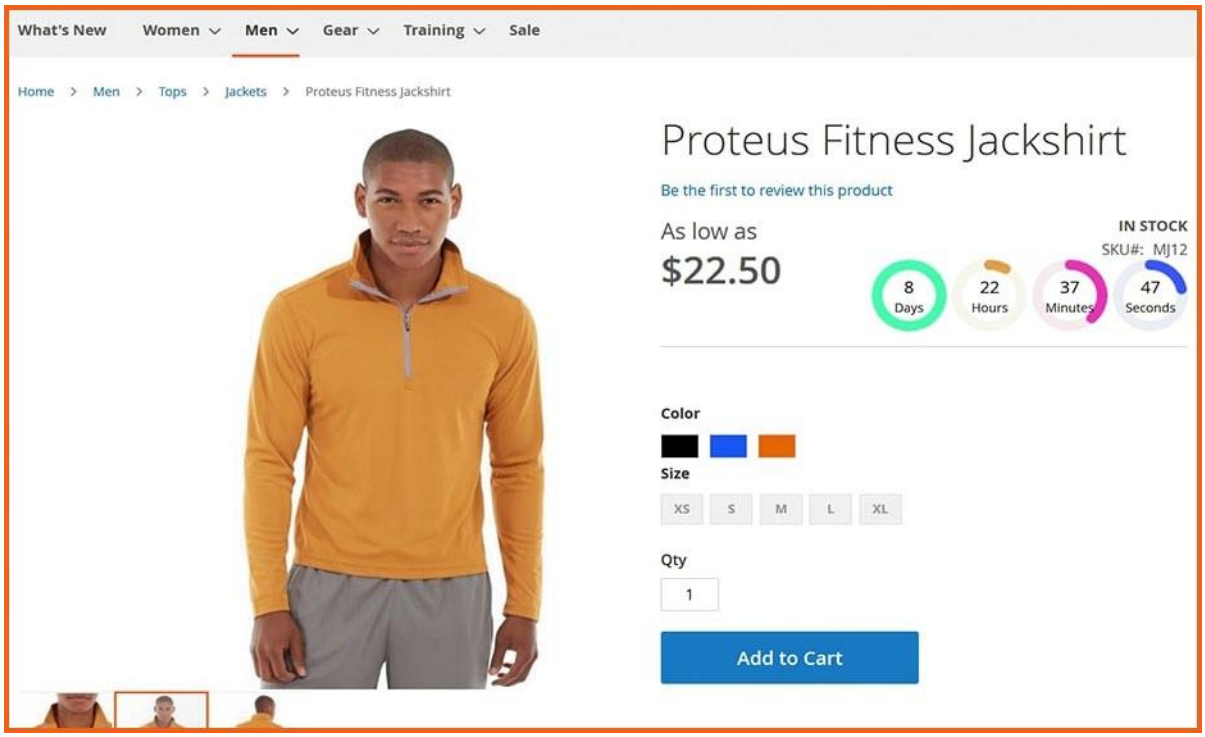
FRONTEND VIEW – FLASH SALE LISTING PAGE



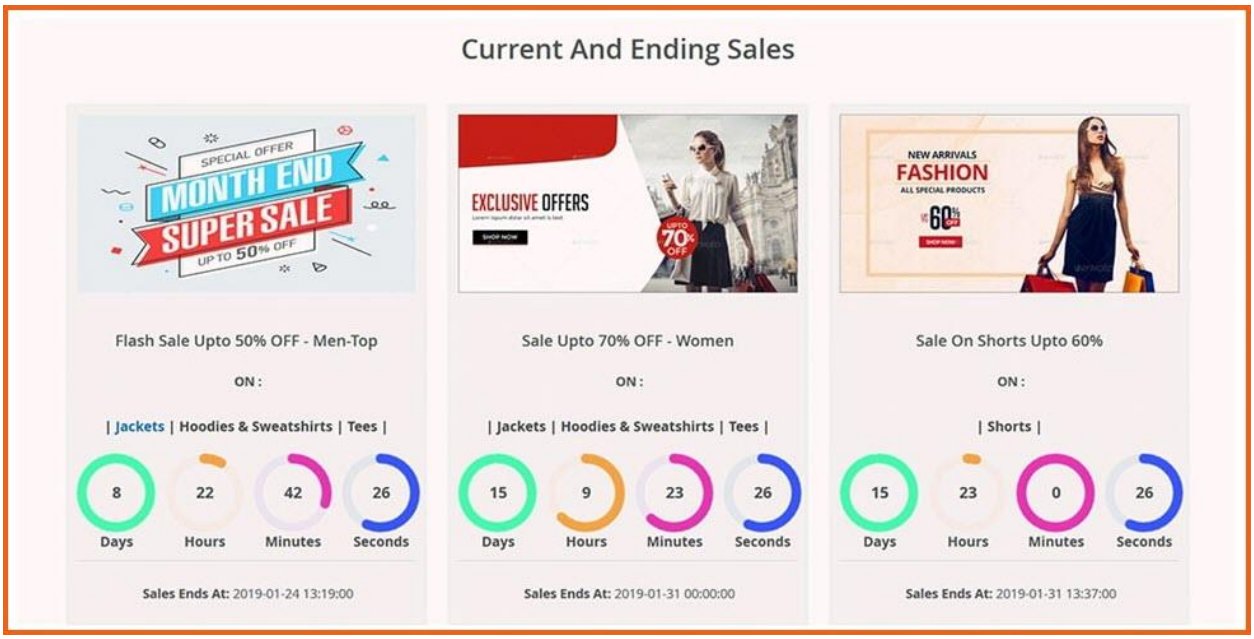
FRONTEND VIEW – DEDICATED FLASH SALES PAGE



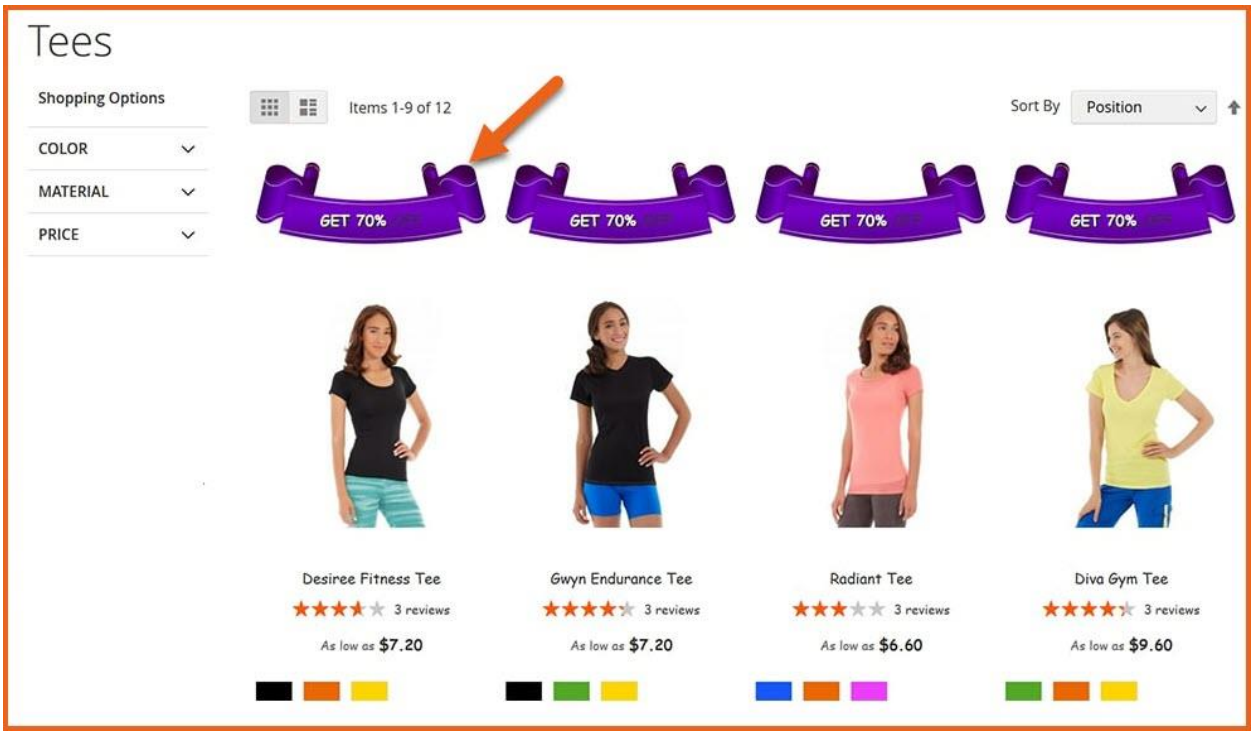
FRONTEND VIEW – FLASH SALE COUNTDOWN TIMER



FRONTEND VIEW – ADD BANNER & COUNTDOWN TIMER



FRONTEND VIEW – SALES LABELS ON FLASH SALE PRODUCTS



DISCLAIMER

It is highly recommended to back up your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.
