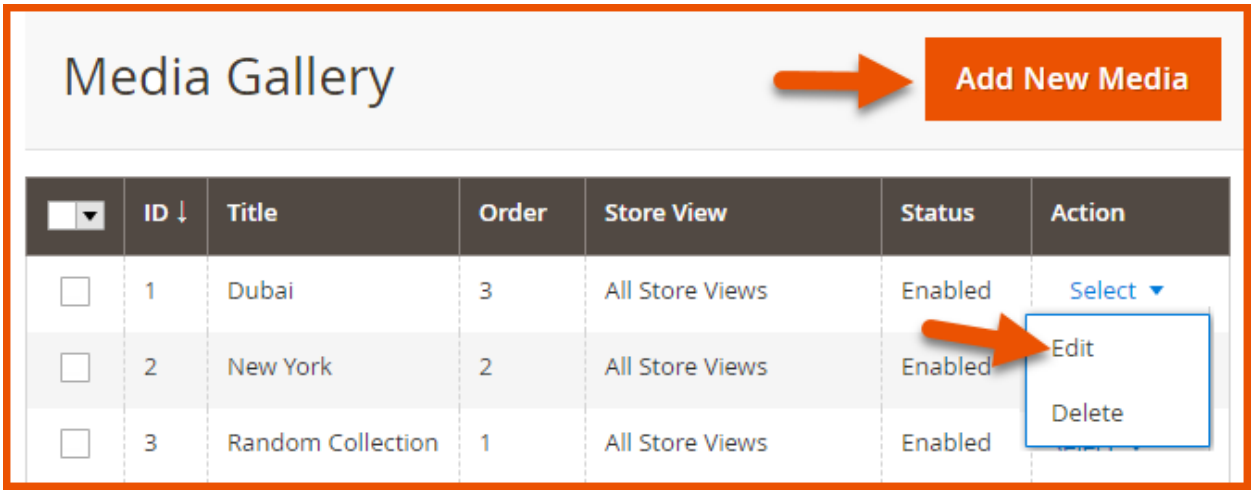
- Viewer Tools Left
- Viewer Tools Right
- Viewer Toolbar Standard
- Viewer Toolbar Minimized

HOW TO ADD/EDIT THE MEDIA GALLERY

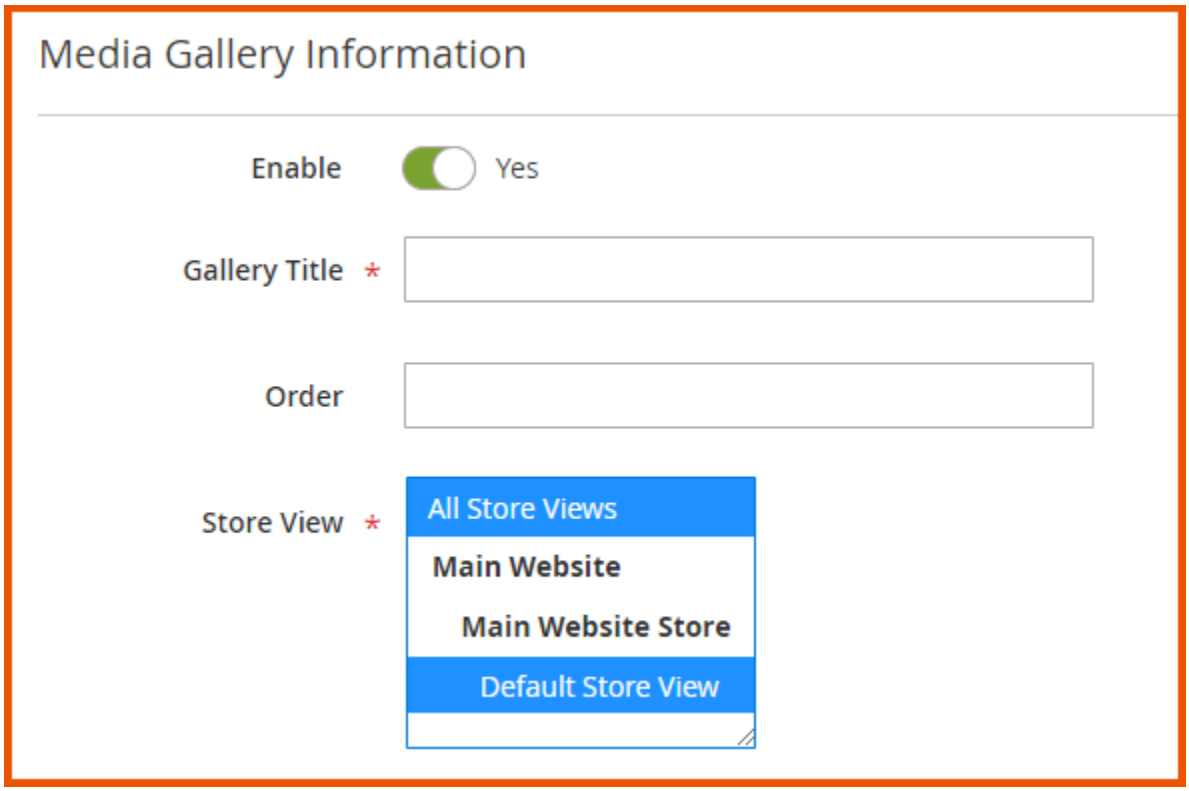
At the back end, go to FME Extensions > Manage Media. Here you will find a grid of all your galleries. You can Edit any gallery or click on the Add New Media button to continue.



Here you will have to provide the following information:

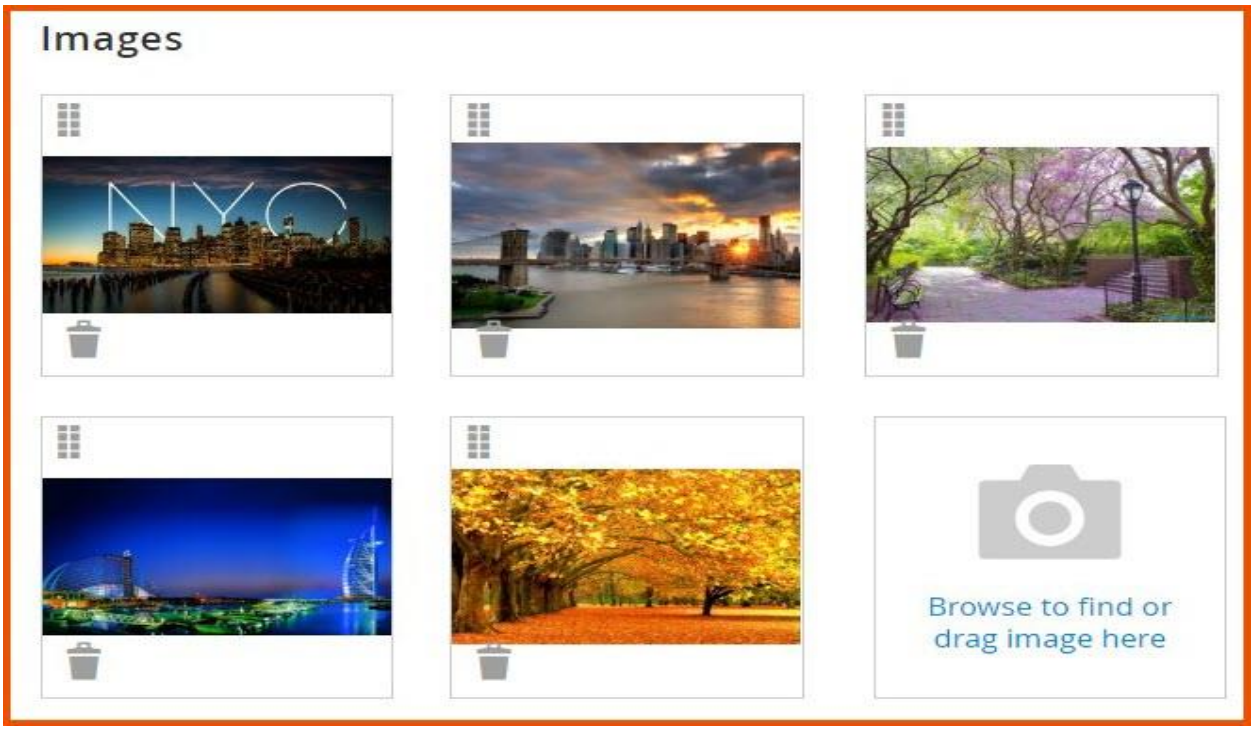
MEDIA GALLERY INFORMATION

- **Enable:** Option to Enable/Disable the media gallery
- **Gallery Title:** Option to set the title of the media gallery
- **Order:** Option to set the sort order of the media gallery
- **Store View:** Option to choose the store views on which you want to enable the gallery



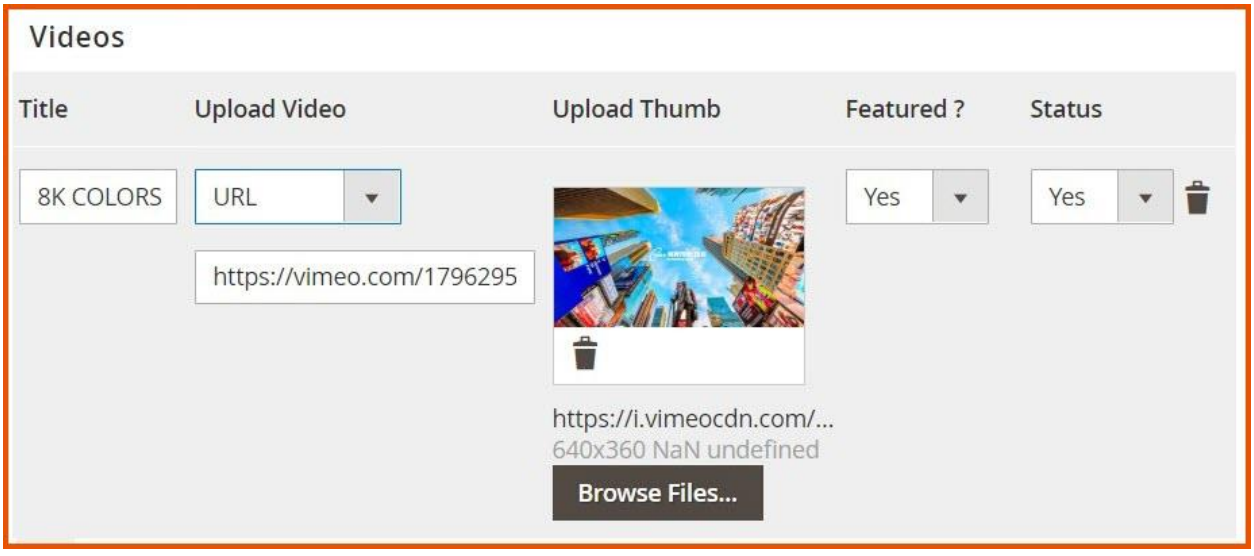
IMAGES

Upload multiple images to the gallery.



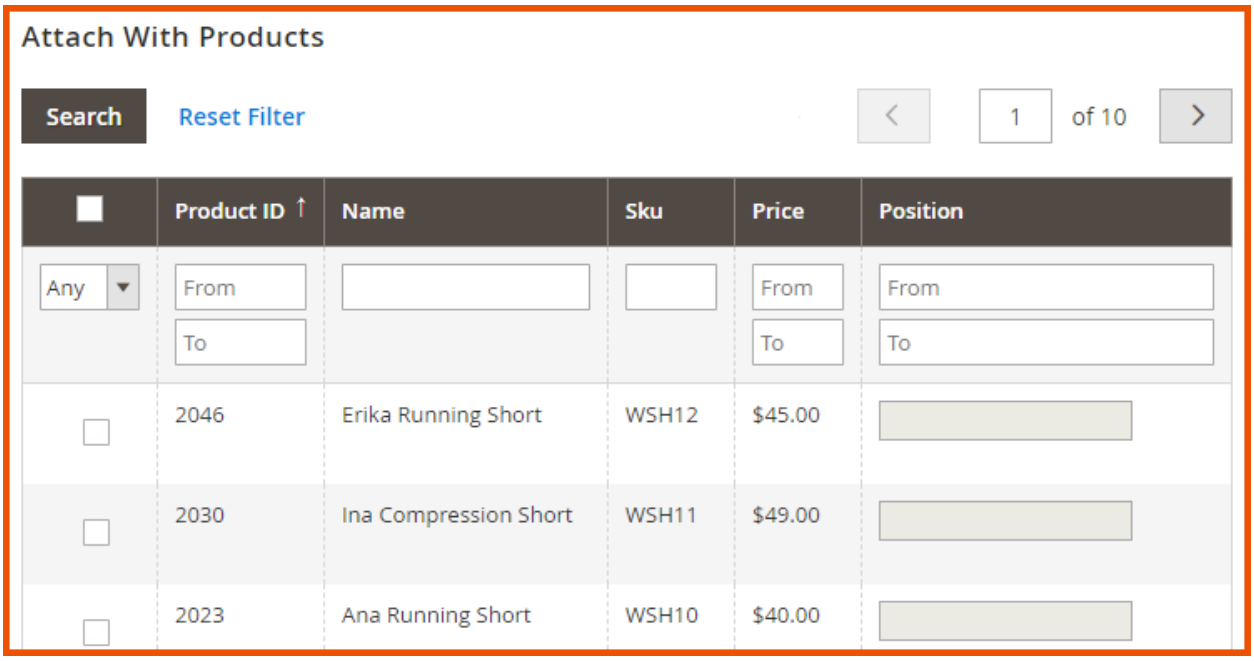
VIDEOS

Upload multiple videos to the gallery as a media file or provide a link to the video (Note: files should be less than 2 MBs)



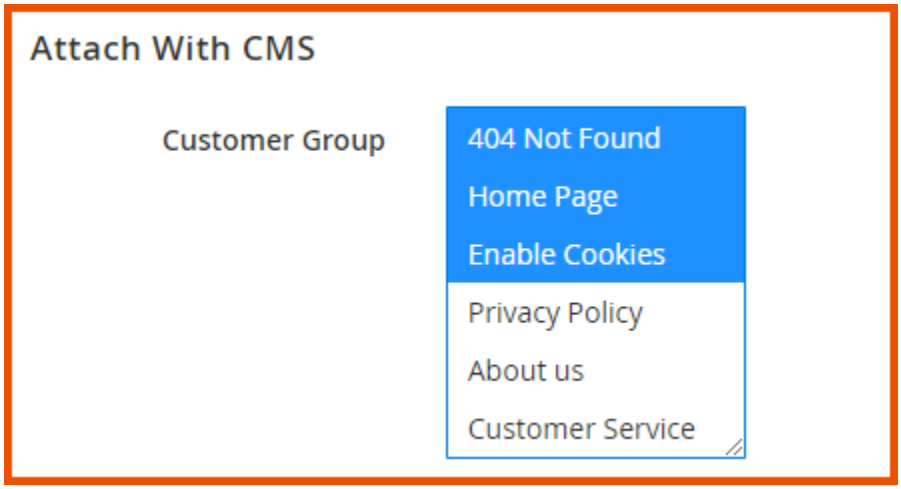
ATTACH WITH PRODUCTS

Select products that you want to attach to the media gallery.



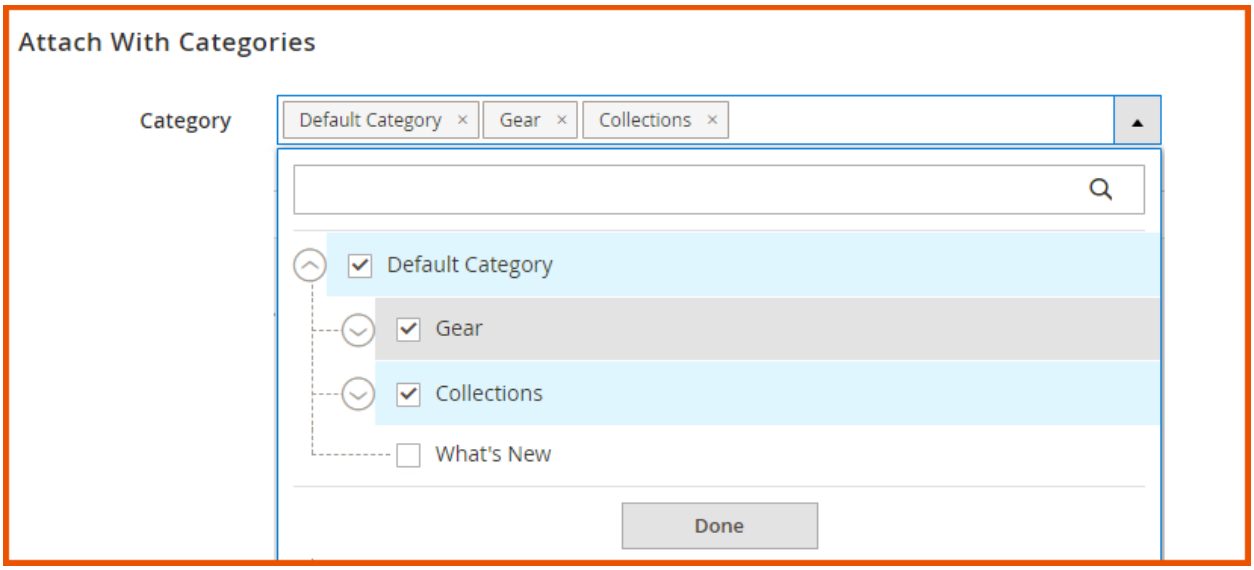
ATTACH WITH CMS

Select CMS pages that you want to attach to the media gallery.



ATTACH WITH CATEGORY

Select the category pages which you want to attach to the media gallery.



For the CMS content, we have already made some demo's where code & respective galleries are shown. Please visit these links.

https://mag2-media.fmeplugins.net/mediagallery/gallery-demo-1

https://mag2-media.fmeplugins.net/mediagallery/gallery-demo-2

https://mag2-media.fmeplugins.net/mediagallery/nano-gallery-demo

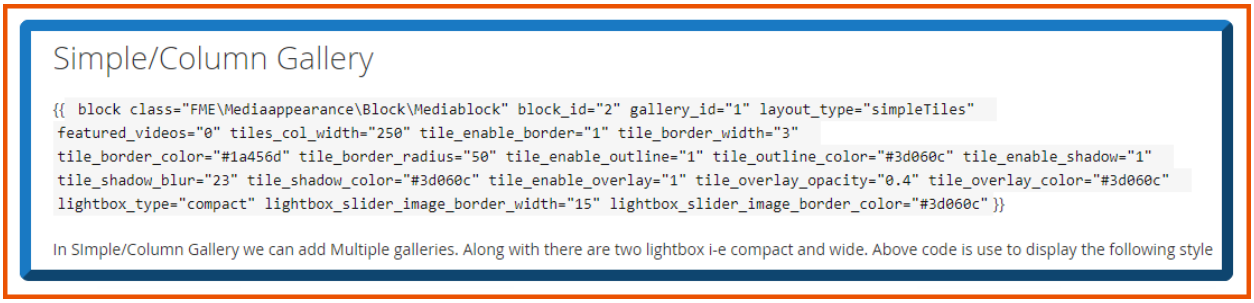
https://mag2-media.fmeplugins.net/mediagallery/3-d-gallery

https://mag2-media.fmeplugins.net/mediagallery/compact-gallery

https://mag2-media.fmeplugins.net/mediagallery/compact-left-gallery

Note: To add gallery blocks to any CMS page, Media Gallery provides more than 10 themes having different codes to show the photo gallery of his own choice e.g.

SIMPLE/COLUMN GALLERY



- gallery_id: You can add id's of media galleries as per your requirements. If you want to add multiple id's then separate them by a comma e.g. 1,2,3,4, etc.
