Prices are hidden and replaced by 'Call for Price' quote form in the relevant category.

16 USER GUIDE

Hide Price - Product Page

Price is hidden and replaced by 'Call for Price' quote form on the product page.

When the customer clicks on that button, a pop-up form window appears. When the customer fills out the popup form and sends it to the website administrator, he/she will receive the email containing the product price at the address he/she provided in the form.
