## Getting Started!

### Overview

---

Add Products to Magento CMS Extension lets you add products to CMS pages like About us, Contact US etc. By exposing your products this way you get more visitors on more products. This CMS plugin makes your CMS page a great source of marketing and conversions. The Magento extension uses Magento Pricing Rules with which you can define which products should appear on CMS pages such as based on color criteria, SKU, and other product attributes.

### Add Products to CMS

---

#### Features

- ✓ Get products added to cart from CMS pages.
- ✓ Get more clicks and conversions by utilizing CMS Product Pages
- ✓ Supports all products, "Search CMS pages" functionality included
- ✓ Expose those products which normally would not get much attention.
- ✓ Create and set unlimited shopping cart rules. Products will be displayed on CMS pages based on these rules
- ✓ Apply Cart Rules on multiple categories
- ✓ "Search CMS Pages" feature allows visitors to search for any product on CMS page
- ✓ Magento Links to CMS pages get more worth for your store now with Add Products to CMS Pages module.
- ✓ Relinquishes you from the worry to add products manually on CMS pages.

#### Global Features

- ✓ Open Source
- ✓ Multi store support
- ✓ Easy Installation
- ✓ Responsive
