

# FME EXTENSIONS

## EXTENSION FOR MAGENTO 2

### USER GUIDE

## INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Free Shipping Bar** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

## USER GUIDE

After installation of the extension, make sure the setup is upgraded and static-contents are deployed. Login to the admin panel and flush your Magento cache storage.

## HOW TO CONFIGURE THE EXTENSION

At the back end, go to **FME EXTENSIONS > Configurations**. Here you can find the following settings:

### FREE SHIPPING BAR > GENERAL

- **Module Enable:** Select 'Yes' or 'No' to Enable/Disable the module

### FREE SHIPPING BAR > STOREFRONT

- **Goal Price:** Option to set the goal price on which the free shipping applies. **For example**, if the goal price is 200, then there will not be any shipping charges for all the orders with a price above 200.

The screenshot shows the 'Configuration' page in the Magento admin panel. On the left, a sidebar lists 'FME' and 'FreeShippingBar'. The main content area is titled 'Configuration' and has a 'Save Config' button in the top right. The 'General' section contains the 'Module Enable' setting, which is a dropdown menu currently set to 'Yes'. The 'Storefront' section contains the 'Goal Price' setting, which is a text input field currently set to '0'. Both settings have '[store view]' written below them.

## HOW TO ADD & MANAGE SHIPPING BARS

At the back end, go to **FME EXTENSIONS > Manage Bars**. Here you can find all the previously created bars. If you want to add a new bar, click on the **Add New Bar** button.

**All Bars**

Filters | Default View | Columns

Actions | 1 records found | 20 per page | 1 of 1

	ID	Bar Name	Subtotal Goal	Priority	Status	Date From	Date To	Action
<input type="checkbox"/>	1	DemoBar	200	1	Enabled	Jan 5, 2021 12:00:00 AM	Jan 31, 2026 12:00:00 AM	Select

## PREVIEW

Option to choose the preview of the bar for different scenarios:

- **Bar State:** Select the type of message you want to convey on the bar. Whatever will be the state of the user, the message on the bar will be displayed accordingly.
  - **Initial Message:** When the customer visits your website, you can display an initial message as **"Get Free Shipping for order over XYZ amount"**.

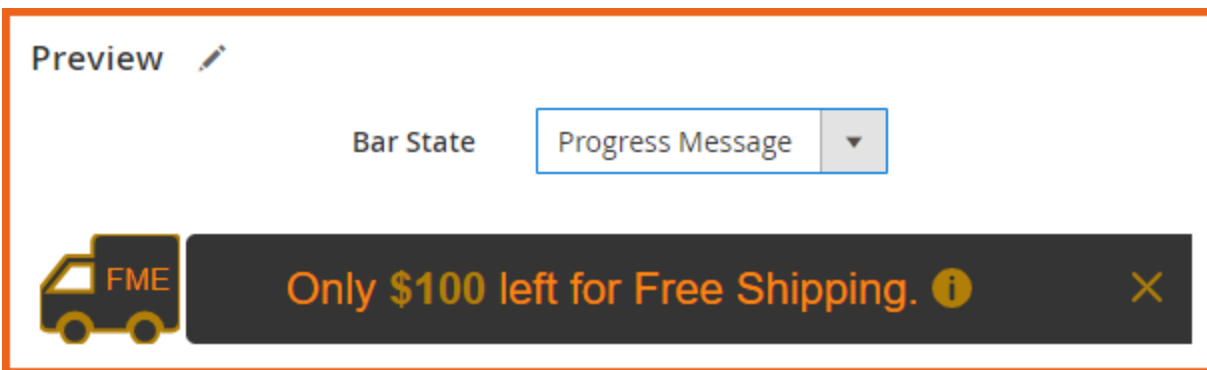

**Preview**

Bar State: Initial Message

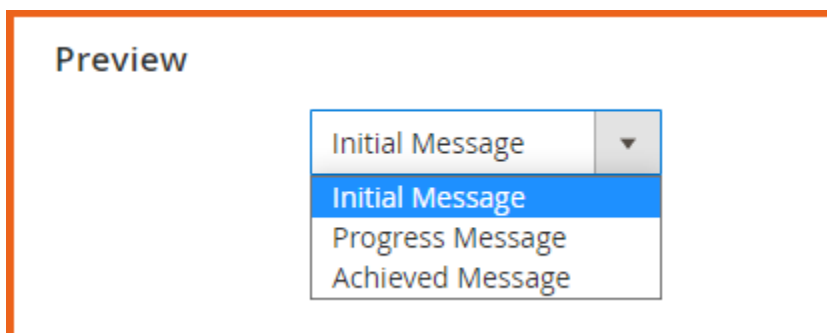

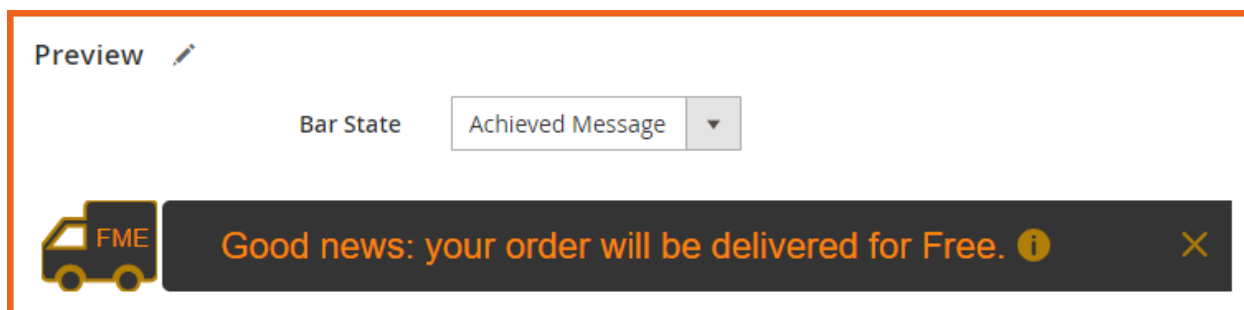

**Get Free Shipping for the order over \$200.** ⓘ ✕

- **Progress Message:** When the customer adds something to the cart, you can display a progress message on the bar **e.g.** “Only XYZ amount left for Free Shipping”.

- **Achieved Message:** When the customer achieves the target of free shipping you can display a message **e.g.** “Good News, your order will be delivered for free”.

## GENERAL

Option to choose the general settings of the bar:

- **Bar Name:** Enter a custom name for the bar
- **Enable:** Select 'Yes' or 'No' to Enable/Disable the bar on the frontend
- **Subtotal Goal:** Option to set the amount for which the free shipment applies e.g. 200. You can also use the **Config Value Price** (Price selected in configurations) by selecting the check box below this field.
- **Priority:** Option to set the display priority of the bar. '1' means the highest priority and then it continues in ascending order.
- **Store Views:** Option to select the store views where you want to display the bar.
- **Customer Groups:** Option to choose the customer groups who can view the bar:
  - Not Logged In
  - General
  - Wholesale
  - Retailer
- **Countries:** Option to choose the countries where you want to display the bar. There is a list of countries in alphabetical order, you can choose any of them.

## General

Bar Name \* DemoBar
