

FME EXTENSIONS

EXTENSION FOR MAGENTO 2

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Force Login** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

USER GUIDE

After installation of the extension, make sure the setup is upgraded and static-contents are deployed. Login to the admin panel and flush your Magento cache storage.

HOW TO CONFIGURE THE EXTENSION

At the back end, go to **STORES > Configurations**. Here you can find the following settings:

GENERAL CONFIGURATION

- **Module Enable:** Option to Enable/Disable the force login module

The screenshot shows the Magento Admin configuration interface. On the left, a sidebar menu has 'FME EXTENSIONS' expanded, showing 'Force Customer Login'. The main panel is titled 'General Configuration'. It contains a 'Module Enable' label with '[store view]' below it, followed by a dropdown menu currently showing 'Yes'.

TEMPLATE CONFIGURATION

- **Select Template:** Choose any one template:
 - Template
 - Login Page
- **Template Title:** Enter a title for the template
- **Template Description:** Enter a short description of the template
- **Store Image:** Upload an image for the template

HOW TO ENABLE/DISABLE FORCE LOGIN ON ANY PRODUCT

At the back end, go to **CATALOG > Products**. Here you will find a grid of your store products. Now click on the **Edit** button to continue.

Products												Add Product ▼
<input type="checkbox"/>	ID	Thumbnail	Name	Type	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Action
<input type="checkbox"/>	46		Sprite Yoga Companion Kit	Bundle Product	Gear	24-WG0		0.0000	Catalog, Search	Enabled	Main Website	Edit
<input type="checkbox"/>	68		Chaz Kangaroo Hoodie	Configurable Product	Top	MH01	\$52.00	0.0000	Catalog, Search	Enabled	Main Website	Edit

Now scroll down the page and Enable/Disable the force login option as per your requirements.
