

# FME EXTENSIONS

## EXTENSION FOR MAGENTO 2

### USER GUIDE

## INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Maintenance Mode & Coming Soon Page** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

## USER GUIDE

After installation of the extension, make sure the setup is upgraded and static-contents are deployed. Login to the admin panel and flush your Magento cache storage.

## HOW TO CONFIGURE THE EXTENSION

At the back end, go to **FME Extensions > CMP Configurations**. Here you will find the following settings:

### GENERAL

- **Enable Extension:** Choose 'Yes' or 'No' to Enable or Disable the Extension
- **IP Whitelist:** Enter the IP addresses here. IP's entered in the textbox are allowed to by-pass, both maintenance and coming soon pages.
- **Enable Cron:** Choose 'Yes' or 'No' to Enable or Disable the cron job

The screenshot shows the 'FME EXTENSIONS' menu on the left with 'Custom Maintenance Page' selected. The main area is titled 'General' and contains three settings:

- Enable Extension** [store view]: A dropdown menu with 'Yes' selected.
- IP Whitelist** [store view]: A large empty text area for entering IP addresses.
- Enable Cron** [store view]: A dropdown menu with 'No' selected.

## GOOGLE reCAPTCHA

- **Enable:** Choose 'Yes' or 'No' to Enable or Disable Google reCaptcha
  - **reCAPTCHA Site Key:** Enter your Google reCAPTCHA site key or generate a new one from <https://www.google.com/recaptcha/admin>
  - **reCAPTCHA Secret Key:** Enter your Google reCAPTCHA site key or generate a new one from <https://www.google.com/recaptcha/admin>

### Google reCAPTCHA

## HOW TO MANAGE CUSTOM MAINTENANCE PAGE - MODES

At the backend, go to **FME EXTENSIONS > CMP Manage**. Here you will find the following settings:

### WEBSITE MODE

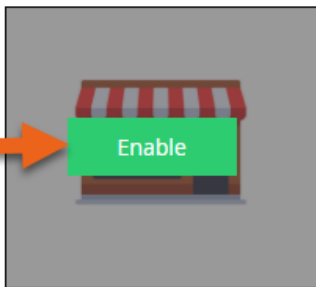

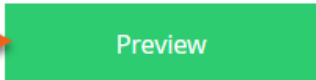

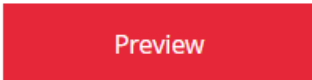

Hover over any website mode and press the "**Enable**" button to select it, then click the "**Save and Continue Edit**" button in order to save the selected mode. Admin can preview each mode by hitting the "**Preview**" button. When the extension is enabled, all **three modes** can be previewed from the backend, regardless of the currently selected mode.

- **Live Mode:** When live site mode is enabled, all the users will be redirected to the store's main page.
- **Coming Soon Mode:** When coming soon mode is enabled, all the users will be redirected to coming soon page except allowed pages.
- **Maintenance Mode:** When maintenance mode is enabled, all the users will be redirected to the maintenance page.

## COMING SOON PAGE GENERAL SETTINGS

With these settings, you can configure the frontend of the coming soon page:

- **Enable Sign-Up Form:** Choose 'Yes' or 'No' to Enable or Disable the sign-up form. If you enable it, a signup form will be displayed on the coming soon page. So, the new users can sign up for the newsletter or register themselves as a customer before the store's launching.
- **User Sign-Up Method:** Choose the sign-up method:
  - Sign-Up For Email Newsletter Only
  - Sign-Up For Email Newsletter Only & Register As a Customer (User can become a customer in addition to just a subscriber)

## LAUNCH SETTINGS

Assign the flash sale to a category. If the discount field is left empty, the above discount will be applied to that particular category.

- **Launch Date and Time:** Schedule the launch date & time. This date will be the launching date for the store and as well as used for the countdown timer.
- **Launch Date Action:** The selected job will be executed on the launch date. Two things can happen when the store is launched, either the coming soon page displays a countdown timer equals to **zero** or the coming soon page can automatically be redirected to the **store's home page**. You can select either option from the dropdown:
  - **Do Nothing**
  - **Switch to Live Mode**
- **Show Launch Countdown Timer:** Choose 'Yes' or 'No' to Show or Hide the launch countdown timer. If you select 'Yes', a countdown timer will be displayed on the coming soon page.

A screenshot of the 'Launch Settings' form, enclosed in an orange border. The form has a title 'Launch Settings' with a back arrow icon. It contains three rows of settings: 'Launch Date and Time' with a date and time input field showing '01/1/2021 11:25' and a calendar icon; 'Launch Date Action' with a dropdown menu showing 'Do nothing'; and 'Show Launch Countdown Timer' with a dropdown menu showing 'Yes'.

## TEXT AND LABELS

- **Heading Text:** Enter the heading text for the coming soon page
- **Welcome Text:** Enter a welcome text for the coming soon page

The screenshot shows a configuration panel titled "Text and Labels" with a collapse icon. It contains two text input fields. The first field, labeled "Heading Text", contains the text "Launching Soon". The second field, labeled "Welcome Text", contains the text "We are about to launch something WOW." and has a small icon in the bottom right corner.

## SITE RESTRICTIONS

- **Allow Access to Site Pages:** Choose 'Yes' or 'No' to Enable or Disable access to the site pages. If you select 'Yes', accessible pages of the store are displayed on the bottom of the coming soon page.
- **Accessible Pages:** Select the pages which can be selected as accessible pages.

The screenshot shows a configuration panel titled "Site Restrictions" with a collapse icon and an edit icon. It contains two main sections. The first section, "Allow Access to Site Pages", has a dropdown menu currently showing "Yes". The second section, "Accessible pages", has a list of pages that can be selected: "404 Not Found", "Home Page", "Enable Cookies", "Privacy Policy", "About us", and "Customer Service". The "404 Not Found" option is highlighted in blue.

## SOCIAL

- **Display Recent Tweets:** Choose 'Yes' or 'No' to Show or Hide the recent tweets on the coming soon page
- **Twitter Widget Code:** Create & Insert twitter widget code for your account here, so recent tweets can be displayed on the coming soon page.
- **Show Share Buttons:** Choose 'Yes' or 'No' to Show or Hide the social sharing buttons on the coming soon page
- **Show Social Links:** Choose 'Yes' or 'No' to Show or Hide the social links on the coming soon page (**Note:** Links can be displayed at the bottom of the page)

Different textboxes are available to insert the social links, which are used for the above social buttons.

## COMING SOON AND MAINTENANCE PAGE MEDIA SETTINGS

This media is used for coming soon and maintenance page background settings, both images, and videos can be uploaded for coming soon and maintenance page background. Just click on the **Add Media** button and then enter, select or upload the appropriate detail for adding media successfully.

- **Title:** Enter a title for the media file **i.e.** image or video file
- **Media Type:** Select the type of media file to upload:
  - **Image**
  - **Video**
- **Mode:** Select mode for the media file. By selecting the mode, you are assigning the media file to either coming soon or the maintenance page.
  - **Coming soon**
  - **Maintenance**
- **Upload Video:** Two options are available to upload the video file. When Video is uploaded through URL the other fields **i.e.** Title and Upload Image are selected automatically from the uploaded video.
  - **Media File** (Upload a file from PC)
  - **URL** (Upload through a valid URL – YouTube or Vimeo)
- **Upload Image:** Upload an image for the selected page
- **Exclude:** Choose 'Yes' or 'No' to Include or Exclude the media. If you selected 'Yes', the media will be excluded to display on the frontend of coming soon and maintenance page.

Coming Soon and Maintenance Page Media Settings

Title	Type	Mode	Upload Video	Upload Image	Exclude
in	Image	Maintenance	Media File	  Browse Files...	No

Add Media ←

## CONDITIONS FOR MEDIA SETTINGS

- **Case 1:** The 'Upload Image' field is being used for two purposes, depending on the media type. If the media type 'Image' is selected, then this field is used for uploading image media. On the other side, if media type 'Video' is selected, then this field is being used as a video thumb and not as an image media.
- **Case 2:** If media type 'Video' is selected and video is not uploaded then this media is invalid and can't be saved for either mode.
- **Case 3:** If media type 'Video' is selected and video is uploaded through the local computer as a file, then thumb for this video must be uploaded through upload image.
- **Case 4:** If nothing is uploaded in the media settings of coming soon and the maintenance page, the background of coming soon or the maintenance page will be displayed blank.
- **Case 5:** Latest Image or Video, which belongs to coming soon and the maintenance page will be used as a background.

## SET CUSTOM PAGE

- Option to add custom page link (URL) and convert it to the maintenance page or coming soon page.

**Set Custom Page** 

URL	Mode
 <input type="text"/>	<div>Maintenance </div> <div>Coming Soon</div> <div>Maintenance</div>
