PRODUCT EXPORT
LIST

EXTENSION FOR MAGENTO 2

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Product Export List** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

HOW TO ENABLE/DISABLE PRODUCTS TO INCLUDE/EXCLUDE FROM THE EXPORT LIST

At the back end, go to **CATALOG > Products**. Here you will find a grid of your store products. Now click on the **Edit** button to continue.

Products												Add Product
	ID	Thumbnail	Name	Type	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Action
<input type="checkbox"/>	1853		Sahara Leggings	Configurable Product	Bottom	WP05	\$75.00	0.0000	Catalog, Search	Enabled	Main Website	Edit
<input type="checkbox"/>	9		Compete Track Tote	Simple Product	Bag	24-WB02	\$32.00	100.0000	Catalog, Search	Enabled	Main Website	Edit

Now scroll down the page and Enable/Disable the product export option as per your requirements.
