WVTAV > OPTIONS

- **If No Recent Viewed Items:** If there are no recently viewed items, then:

    o **Hide Slider**

    o **Display Random Products**

- **Process Session For Last X Days:** This field tracks search history from user sessions for the provided number of days, and after analyzing the search record it shows the relevant products which users might like to buy. If you enter the number of days **e.g.** 20, then it will analyze the record for the previous 20 days and will suggest the products on the basis of viewed products by the customer.

- **Show Only Products:** Specify which products to show in the slider:

    o **With Higher Price**

    o **In Stock**

    o **In the Same Category**

- **Apply for Product Types:** Select the product types on which these settings will apply on:

    o **Simple Product**

    o **Virtual Product**

    o **Bundle Product**

    o **Downloadable Product**

    o **Configurable Product**

    o **Grouped Product**

- **Apply for Categories:** Select the categories on which these settings will apply on

- **Display Additional Information:** Select the pages where you want to show additional information:

  - **Add to Cart**

  - **Add to Wishlist**

  - **Add to Compare**

  - **Reviews**
