# FME EXTENSIONS

EXTENSION FOR MAGENTO 2

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of Share Cart Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

TABLE OF CONTENTS

USER GUIDE

After installation of the extension, make sure the setup is upgraded and static-contents are deployed. Login to the admin panel and flush your Magento cache storage.

How To Manage Saved Cart & Ordering On Customer Demand

At the back end, go to **FME Extensions > Manage Save Cart**. Here you will find all the saved carts of the customers. You can edit anyone i.e. change the title, order and saving date etc.

Admin can also place the order on the demand of the customer by clicking on the Place Order button.

Here admin can enter the details of the customer and place the order on behalf of the customer.

How To Save & Share Cart

Note: You must log in before saving or sharing your cart
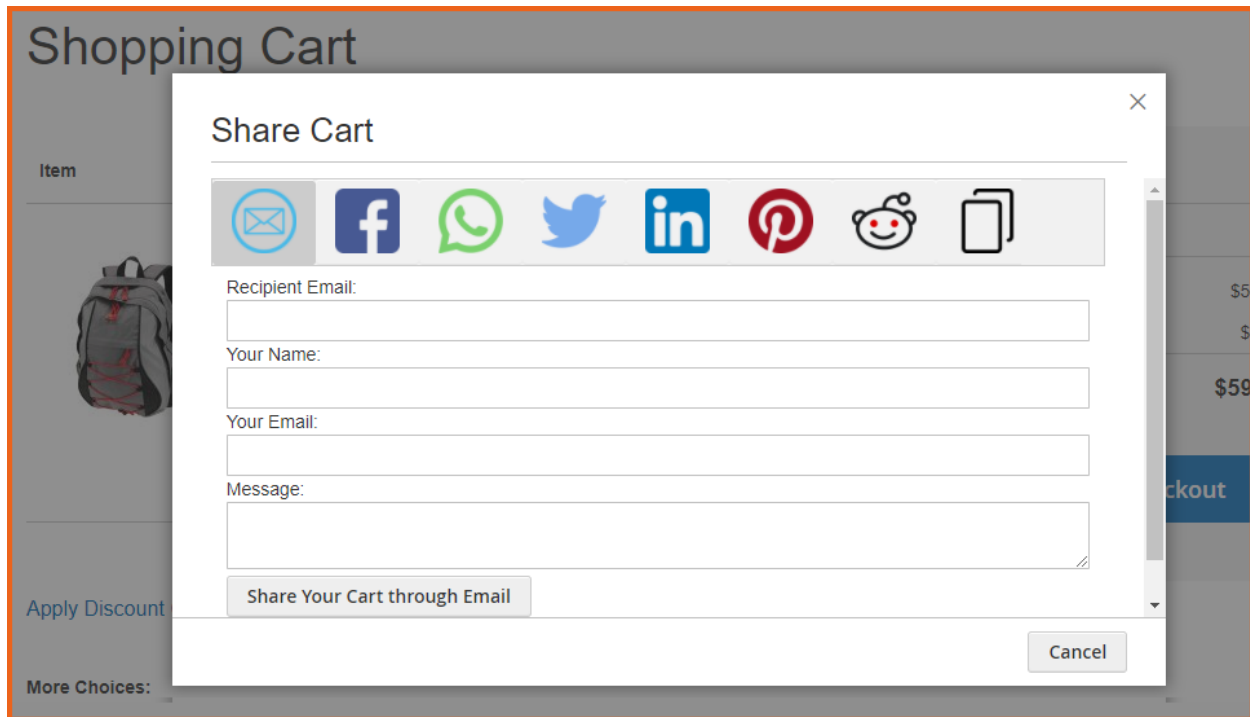

If you want to see your saved carts, click "My Account" and then go to "My Cart" to see the saved carts grid.
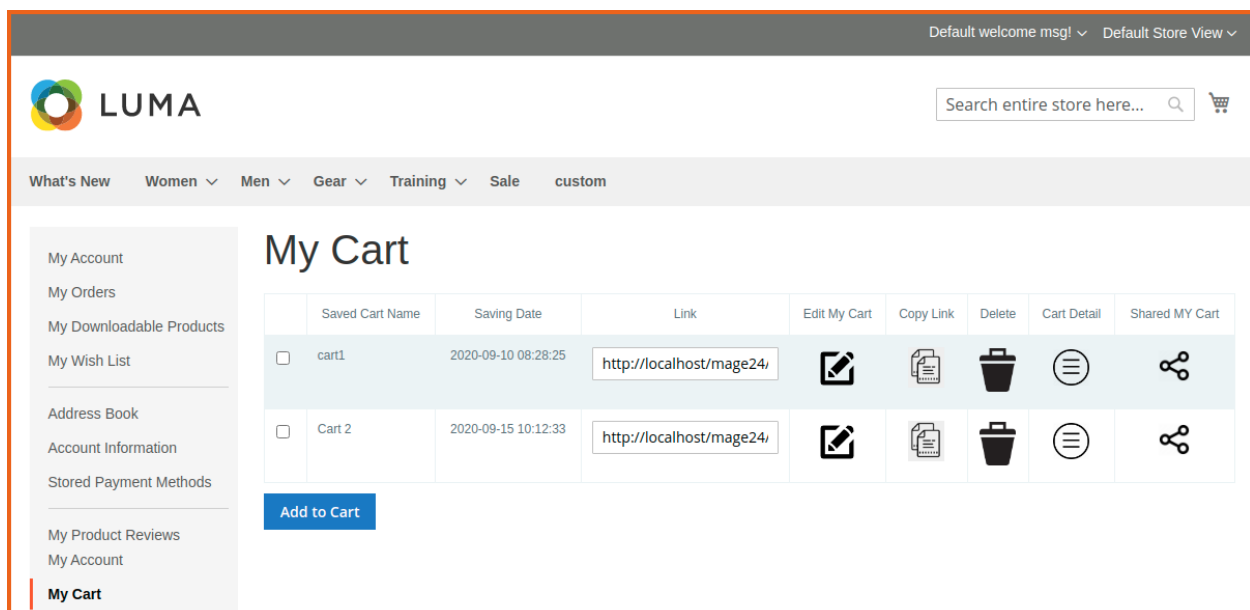

Disclaimer

It is highly recommended to back up your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.
